Postal (if outside the U.S.):

Your comment: Abortion oppresses the rights of the unborn and makes the government an accomplice. If community justice has its way, the mother carries the debt by enduring her own displacement and by the refusal of the law's protection. Community justice is a slow lynching. It is also a security risk. Great Charters and covenants demand process of the accused for this reason. Enlightened leaders understood that laws do not perfect mankind. The more we use law to justify encroachment, the more we oppress in the name of "justice." PLEASE DETAIN AND PROCESS THE ACCUSED IN EVACUATIONS CONDUCTED AT UNCONTROLLED HAZARDOUS RELEASE SITES REPORTED TO THE NRC. PLEASE PREVENT HUMAN TRAFFICKING IN GOVERNMENT ACQUISITIONS BY CAPPING TOTAL CDBG-FUNDED SALARY EARNINGS, BY ELIMINATING COMPETITION OF NON-PROFIT INTERESTS THAT FAVOR THE DEPRIVATION OF RIGHTS, AND BY PRIORITIZING CITIZENS RIGHTS TO UNIFORM RELOCATION AS A HOMELAND SECURITY SAFEGUARD AGAINST TERRORISM IN EMERGENCY INCIDENT MANAGEMENT. [SEE 22 USC 7101. Congressional findings 9.] Thank you.
