Proposal: 1818(AG67) Debit Card Interchange Fees and Routing

Subject: 1818(AG67) Debit Card Interchange Fees and Routing

Please include restrictions and requirements stating clearly that debit cards must not be charged a fee at check out and they must be considered same as cash when giving cash discounts. Businesses all over Louisiana are charging for the use of debit cards because of a loophole that a processor is taking full advantage of. We are being charged 4% to use a debit card. Please make sure clear rules are made and stated in this law that will make it impossible for merchants or processors to add this ridiculous fee to debit transactions.
