Subject: 1831 Expansion of Fedwire Funds Service and National Settlement Service Operating Hours

NONCONFIDENTIAL // EXTERNAL

Good afternoon

I am not in support of working on weekends & holidays

I have a life outside of work

I am not willing to sacrifice my personal time off for frivolous customer service reasons

Customer have 40 hours over a span of five days every week to get their wire requests processed

What's next? Am I going to start working 24/7? And I going to working after I am dead? (that would be the definition of Hell)

Pls do not approve of working weekends / holidays

For the sake of sanity and fellowhisp of mankind

Thankyou!
