Re: Letter of Recommendation

To Whom It May Concern:

I would like to take this opportunity to extend my support for the merger between BB&T and SunTrust bank.

Almost ten years ago, my partners and I started Hydrologic Distribution Company. We are a distributor of plumbing supplies in the Florida market that originally started with just three employees. Today we have eight locations and over 160 employees all throughout the greater Tampa Bay area.

BB&T has been a tremendous capital partner to us. Having worked with many banks over the years, I can honestly say that BB&T is the most thorough, careful, and trusted financial institution I have ever worked with. To be even more specific, Jeff Lampasso is quite possibly the most talented relationship manager I have ever come across. I have known Jeff for many years and have complete confidence and trust in him. You simply couldn't ask for a better partner than BB&T and, in my opinion, they are the gold standard by which all other banks should be measured.

I firmly support the merger between BB&T and SunTrust bank and look forward to working with them in the future.

Very truly yours,

Christopher Lynch
President

To whom it may concern:

I would like to share my personal banking experience with you. In my 42 years of personal banking, I have only used three banks. With my first bank, I did not think I would ever find a more positive experience. After moving to the second bank I realized I was wrong, and I now had the best possible. Or, so I thought. I clearly had not experienced BB&T customer service. The customer service of BB&T has been top notch, from day one. The responsiveness of the entire BB&T staff is second to none.

I am always impressed by the involvement of the executive staff within the walls of the bank and their involvement in the community. It is evident to all; BB&T is a part of the fabric of our community. Their participation in worthy charitable causes, as well as quality of life issues and programs, is very much appreciated. The lives of those living in our community and the economic development of our area are much improved by the men, women and corporate culture of BB&T.

Though I have never personally banked with SunTrust, I have worked in the community with many exceptional individuals employed by SunTrust. SunTrust has done a commendable job of having their representatives out in the community positively representing the bank and impacting the community.

I could not be happier to have these two fine institutions merge. I believe the outcome will be positive for the employees, management, and community. If I can be of further service or answer any questions, please do not hesitate to contact me.

Kindest regards,

A handwritten signature in cursive script that reads "Butch Miller".

RE: BB&T and Sun Trust Merger

To Whom It May Concern,

I would like to share a few comments about my experience with BB&T.

My husband and I own and operate a power sports business in Hagerstown, MD. It has been family owned and operated since 1932. We bought the business in 1987 from my husband's grandfather. In those years we have dealt with 4 banks, 2 of them from mergers, with BB&T being the last. Being in a small town and BB&T being a larger bank, we weren't sure how the transition would go. We are very happy to say BB&T couldn't do more to take care of our accounts, both personally and professionally. They made sure the transition exceeded our expectations. They honored all the commitments we had, most importantly a line of credit for our inventory. They have continued to work closely with us over the last several years. We feel like we have another partner working for our business.

We have also had the pleasure of getting to know our account managers on a personal level as well, through community involvement. BB&T made sure our community remained a priority after the merger with Susquehanna and I'm sure they will do the same after the merger with Sun Trust.

In closing, we are excited to see all the new opportunities the merger may have for us in our business. We support the merger and believe that it will have positive results for both our business and community.

Thank you,

A handwritten signature in cursive script that reads "Robin C. Twigg".

Re: Merger of BB&T and Suntrust

Ladies and Gentlemen:

I am the CEO of a regional CPA firm in Western North Carolina. I also chair the advisory board for BB&T in Asheville, North Carolina. In my role as a CPA, I have worked with a number of financial institutions over the years, particularly BB&T and Suntrust. I have found both banks to be very service oriented and responsible members of the local business community. These organizations appear to be an excellent fit and therefore, benefit the local markets significantly if combined. The scale would likely allow for more technological advancements needed to serve clients today among other opportunities.

From my understanding of these two fine organizations, I would strongly support this merger.

Sincerely,

A handwritten signature in black ink, appearing to read 'Ben Hamrick'. The signature is written in a cursive style with a large, sweeping flourish at the end.

Reference: Merger Feedback

To whom it may concern,

I am writing today to provide feedback on the merger between Sun Trust Bank and BB&T.

Our firm has been a customer of BB&T since 2015 when they merged with Susquehanna Bank.

Our account manager, Nicholas Scardino has remained the same for more than 15 years. We value our business relationships and recognize when we are valued. BB&T and our manager have worked very closely with our company to make sure our business and personal financial needs are taken care of.

We have a line of credit established with BB&T and are proud of the fact that we have not had a need for it for more than 20 years. Regardless, BB&T continues to stand behind us should the need arise. Our company has not had any issues or bad experiences with BB&T. The employees, tellers, phone support personnel have been excellent to work with.

Our company is a small to mid-sized, family owned, electrical contracting business located in southern New Jersey. We employ on average about 60 workers per year. Maintaining a successful business in today's climate is not easy. There are plenty of things to worry about on any given day. Our banking needs is not one of them. We have always felt like we were in capable hands with Nicholas Scardino and his staff at BB&T.

We fully support the merger and see this as good for our business. We are confident that the merger will provide more value and resources for our company. The combination of two strong banks will mean more value for us the customer.

I hope you will take this feedback into consideration. If you have any questions, please do not hesitate to contact me.

Sincerely,

Diana C. Grouser, Corporate Secretary

The United Way of Wilson County, NC and BB&T have enjoyed a great partnership for more than 60 years. Wilson NC is the hometown of Branch Bank and Trust. For almost 150 years, our community has watched BB&T grow through mergers, acquisitions and the addition of new branches. BB&T is extremely important to our town because BB&T believes the importance of strengthening communities. As BB&T has grown, so has their philanthropic investment in Wilson. Their financial contributions to non-profit organizations and their strong support of employee volunteerism are part of the BB&T culture.

BB&T has a deep passion for people and SunTrust shares the same passion. Our United Way supports the upcoming merger of these two great institutions because BB&T and SunTrust are both sensitive to community needs, they have similar philosophies and most importantly, they want the best for all people.

BB&T is important to the United Way of Wilson County, NC and we support the merger between BB&T and SunTrust.

Sincerely,

Judi A. Thurston

RE: Planned BB&T/SunTrust Merger

To Whom it May Concern,

My company, Scott-Fischer Enterprises LLC, has been in the Fort Myers, Florida area for 33 years. Scott Fischer Enterprises owns and operates Harley-Davidson dealerships and provides dealership consulting services throughout the United States. I have been a business and personal client of BB&T since 2011. BB&T has proven to be a strong partner and was instrumental in the growth of my company through loan restructure in the economic downturn, solid business advice and acquisition loans. I am writing to demonstrate support of the merger and believe the combined entity will be good for the community.

I can be reached at scottf@sfe-us.com or 239-872-5582 if you wish to discuss in greater detail.

Subject: [EXTERNAL MESSAGE]Support of Sun Trust/BB&T Merger

To Whom It May Concern,

It gives me pleasure to support for the proposed merger of Sun Trust and BB&T. Both financial institutions support Step Up Savannah in promoting economic opportunity and financial security in Chatham County. While a quarter of Savannah's residents live in poverty, that percentage jumps to 50% and higher in some neighborhoods and has remained persistently high for over 30 years. Sun Trust and BB&T's commitment to this work is a credit to their dedication to economic mobility and financial security in our community. This has been demonstrated in a number of ways and specifically through Bank On Savannah and the Chatham Apprentice Program (CAP).

Bank On Savannah was established in 2009 through the joint effort of Step Up Savannah, the Banking Taskforce, the City of Savannah, the Federal Deposit Insurance Corporation, and the Federal Reserve Bank of Atlanta to provide safe and affordable accounts to the banked or under-banked. Both Sun Trust and BB&T offer no and low-cost checking accounts for those who have never had accounts before, or who have had trouble managing an account in the past. This vital access to mainstream financial products helps build credit, longer-term savings, and promotes financial security which increases opportunity of economic mobility.

Sun Trust has also been a strong supporter of financial education in our workforce development program. The Chatham Apprentice Program takes a holistic approach to workforce development training through wrap around services including soft skill training, hard skill training, financial education, behavioral counseling, healthy eating, legal aid, access to public benefits and banking, as well as job placement. Sun Trust's consistent financial support has helped to increase the program's reach by over 30% in the past three years, and for the average graduate pay to increase from \$9.68 per hour to almost \$14.00 per hour.

I believe that by combining their efforts and resources, and continuing to place emphasis on economic mobility, our community can benefit by this proposed merger.

Kindest regards,

Jen

REF: PROPOSED MERGER OF SUNTRUST AND BB&T

Dear Sir/Madam:

As a SunTrust South Florida Advisory Board of Directors member, I hereby support the merger of BB&T Corporation, Winston-Salem, North Carolina with SunTrust Banks, Inc, Atlanta, Georgia. I understand that BB&T would merge SunTrust Bank with an into its subsidiary state non-member bank, Branch Banking and Trust Company, Winston-Salem, North Carolina.

I support this merger because I believe it will be a convenience and will meet the needs for the communities to be served.

Should you have any questions, I made be reach at telephone number 305.270.0870 or via email at bettys@pmiflorida.com.

Again, I emphasize I am 100% in support of this merger.

Sincerely,

Joanne S. Mitchell, Board Member
SunTrust of South Florida Advisory Board of Directors

JSM/bgs

To Whom It May Concern,

Boston Capital supports the pending merger between Branch Banking and Trust Company and SunTrust Bank. Boston Capital has worked extensively with both banks for many years placing equity and debt through the federal low income housing tax credit program that serves low income families and seniors. Branch Banking and Trust Company and SunTrust Bank are consistent and diligent advocates of the Community Reinvestment Act. They have had a significant positive impact to the large and small communities they service in their assessment areas by creating thousands of apartment units for low-income families and seniors. Branch Banking and Trust Company and SunTrust Bank are good corporate citizens and both banks working together would make a superlative bank.

Please contact me with any questions you may have,

Tom Pereira

I would like for you to understand my position on the merger of SunTrust & BB&T. My family has had the honor to bank with SunTrust in Miami since December of 1969. At the time I was only 5 years old when we came to this wonderful country from Cuba. My father opened several accounts at Flagship bank in Miami, including savings accounts for my brother and I. The relationship with bank grew and the folks that operated the bank always stayed in touch and developed a great relationship. As time passed SunTrust has been our commercial bank of our business. Today we deposit over 200 million dollars per year and have had a line of credit as large as \$25 million. I am also very proud to I serve on the SunTrust Board of Advisors of South Florida. The merger of equals of the both of these great institutions will be fantastic for the consumers and business throughout the country. If you have any questions please let me know. Thank you for

RE: SunTrust Bank/BB&T Bank Merger

Dear Sir/Madam:

Bay Diesel Corporation is a small business with four locations throughout Virginia and West Virginia. We have been a customer of SunTrust Bank for close to 25 years. We have continued to bank with SunTrust not only because they have been competitive, but as importantly because of the many things they do for the community. Mark Johnson, SunTrust Community Development Manager, along with Karen Priest, our Banking Relationship Manager, both are continually seeking ways to serve and improve the community. Community involvement is an important point to us at Bay Diesel. We have been supporters of our Maritime and Civic communities for more than 35 years, and it means something to us that our bank is as well.

SunTrust has convinced us to partner certain community projects with them such as providing computer labs to underserved schools, supporting the arts, and without their leadership there would be a loss. BB&T Bank also has a great reputation for service to the Community, and I am excited about the two banks merging and combining their ideas, energies, and resources to make the places they work better places to live.

I look forward to continuing to work with the new bank to help transform our communities with opportunity for citizens to contribute.

Sincerely,

J. Scott Wheeler

Subject: [EXTERNAL MESSAGE]SunTrust/BB&T Merger - Letter of Support

Good Afternoon,

Please find attached a letter of support for the SunTrust/BB&T Merger. I serve as a volunteer on the Bubba Moore Memorial Group Board of Directors and have found BB&T to be a great partner and supporter of our 501©3 organization. Please don't hesitate to contact me through my work email or by call the number below if you have any questions or need anything in addition.

Best regards,

BUBBAMOORE
memorial group, inc.

April 30, 2019

RE: SunTrust BB&T Merger

To Whom It May Concern:

As a founding member, past president and current Board member of the Bubba Moore Memorial Group, it is my honor to provide this letter of support for the Branch Banking and Trust Company (BB&T).

The Bubba Moore Memorial Group, Inc. (BMMG) is a 501© 3 nonprofit organization that was formed in 2004 after the untimely death of a community friend and journalist. Bubba Moore was a newspaper man who promoted local business and causes that helped citizens and organizations in need. Bubba was an entrepreneur and did not have good medical insurance. A group of friends gathered and held a fundraiser to assist he and his family with their massive medical bills and living expenses.

While forming BMMG a local mortgage lending officer, Danielle Fifer joined our group to further the cause and continue Bubba Moore's legacy. Danielle Fifer is an employee of BB&T who serves on several local Boards and is currently serving as BMMG's President. Danielle has helped accelerate the notoriety of BMMG which in turn has lead to more underwriters and sponsors for our fundraising events. Several years ago, Danielle introduced Donald Burback, BB&T's CRA/Community Development to BMMG. When Don learned of the many organizations that BMMG provided donations to he assisted us in applying for funds. He has been a promoter and champion for BMMG as well as giving his volunteer time to other nonprofit Boards.

To date the Bubba Moore Memorial Group has given over \$750,000 back to other nonprofit organizations and some individuals who are in need of assistance. We are proud to acknowledge that we have been able to give back to many and a large part of it is due to individuals like Danielle Fifer, Don Burback and BB&T's continuing support within our community.

We look forward to maintaining a mutually beneficial relationship with the merged BB&T/SunTrust entity and continue to give back to those in our community who need assistance.

Best regards,
Rosemarie Selman, Vice President
Bubba Moore Memorial Group, Inc.

To Whom it may Concern

It is my pleasure to write this letter of support of the SunTrust/BB & T merger.

At JARC FL we have been fortunate to have been a beneficiary of support from SunTrust. They has been a strong community partner providing engagement with JARC FL by providing the flexibility in employee schedules to serve as a member of our Board of Trustees, provide volunteers to many of our client activities and fundraisers and through financial sponsorship helping us create opportunities for our clients that otherwise would not be possible.

In addition to the fantastic organizational engagement, SunTrust has provided us with a strong banking relationship and financial services for many years. SunTrust has demonstrated that they not only value our business but they value our community.

We appreciate the long standing partnership we have had with SunTrust and look forward to it continuing and growing after the merger with BB & T.

Thank you for allowing me the opportunity to share how much we value SunTrust bank and their employees.

Sincerely

Jeffrey M. Zirulnick

RE: SunTrust Merger

To Whom It May Concern:

I am pleased to provide this letter for support for the great partnership we have in the Ocala (FL) Metro with SunTrust. The Chamber & Economic Partnership (CEP) is the economic development leader for this area and SunTrust has been actively engaged with us for more than 30 years. SunTrust is a Champion partner with the CEP and have been a key community partner as we have sought to build and diversify the local economy.

As a career chamber and economic development professional with 25 years of experience, I have worked with dozens of banks across the Southeast. However, I can state without reservation that SunTrust has been among the most engaged in working to understand the uniqueness of our community. They understand the market, the opportunities, and how to serve both. The first question is always, "How can we assist."

If nothing else is a testament to their commitment, I believe our continuing relationship with them speaks volumes. Banks come and go but they had stayed the course. SunTrust has a reputation which speaks of excellence. I am pleased to offer this letter of support and look forward to an even greater community partnership once they merge with BB&T.

Sincerely,

Kevin Sheilley
President/CEO

Subject: [EXTERNAL MESSAGE]Comments regarding Suntrust Bank, Savannah, Georgia

This electronic mail is to offer comments concerning the community work of SunTrust Bank, Savannah, Georgia.

First, it is safe to say that SunTrust Bank, Savannah has for quite awhile held a strong reputation for its civic and community activities. The bank is known to be associated with numerous organizations and civic projects that are beneficial to the greater Savannah community. I speak from personal knowledge, having witnessed the bank involvement for more than 30 years. My knowledge is based on what I hear in addition to the things that I have personally witnessed.

Listed below are just a few of the initiatives carried out on behalf of the bank by Ms. Stephanie Johnson, Vice President/Community Development Manager. Ms. Johnson has been the face of the bank in a broad array of activities for many years.

School Council Initiative: This is an initiative associated with the Savannah Chatham County Public School System. Over the years Ms. Johnson has served on three different school councils representing SunTrust as a business partner. Her involvement on each of the councils has been significant. I can personally state that Ms. Johnson is one the most outstanding business partners serving on the school councils here in Savannah.

United Way of the Coastal Empire

Martin Luther King, Jr. Observance Day Committee

Stepup Savannah

Senior Citizens Program (an initiative of the local Community Action Agency)

Board of Directors, Junior Achievement of Georgia (JA)

This is only a very few of the initiatives the bank is known to be associated, mainly with the involvement and coordination of Ms. Johnson. Finally, let me say that what the bank does in this community is unequivocal. I only hope that the merged entity will continue the efforts exhibited by the bank and the work of Ms. Johnson.

Please free to contact me should there be any questions.

Re: BB&T-SunTrust merger

Dear Sirs

This letter is in support of the BB&T SunTrust merger. BB&T has for the past four years been a valuable partner with Community Farm Alliance in supporting CFA's work to increase healthy food access to low-income communities and economic development in general.

BB&T provided the initial funding that enabled CFA to launch the Kentucky Double Dollars program to provide healthy food incentives to SNAP participants. The KDD program was launched at six farmers markets in BB&T's service area. Today the KDD program is offered at 41 farmers markets and three retailers in Kentucky.

I believe that this merger will only serve to increase the investment by BB&T/SunTrust back into our Kentucky communities.

Respectfully,

Martin Richards,
Executive Director
Community Farm Alliance

Community Farm Alliance is a 501 (c)(3) nonprofit. We work to organize and encourage cooperation among rural and urban citizens through leadership development and grassroots democratic processes to ensure an essential, prosperous place for family-scale agriculture in our economies and communities.
