Dear Messrs. Cohen and Sloan:

The following relates to the application submitted by U.S. Bancorp (“USB”), Minneapolis, Minnesota, the parent of U.S. Bank National Association (“US Bank”), Cincinnati, Ohio, to acquire MUFG Union Bank, National Association (“Union Bank”), San Francisco, California, under section 3 of the Bank Holding Company Act. Please provide written responses to the items listed below:

1. On November 3, 2021, and January 13, 2022, staff requested copies of the executed Transitional Services Agreement and the Reverse Transitional Services Agreement (“Agreements”), including schedules A and B to each of the Agreements, when available. Provide a copy of the final Agreements, including schedules A and B to each of the Agreements. Further, if final versions of these Agreements are unavailable, staff requests a detailed summary of each of the Agreements and the accompanying schedules, including a list of each service that would be provided pursuant to each of the Agreements. The January 26, 2022, Additional Information (“AI”) response stated that schedules A and B to the Agreements would be available by March 2022, and Confidential Exhibit A to the January 26, 2022, AI response lacked the level of detail necessary for staff to understand the Agreements and complete the record. Provide the final versions of these Agreements, including accompanying schedules, when available.
2. In the March 24, 2022, response to adverse comments, USB states that “USB has already planned for growth in its LIHTC investment activity and expects that the combined organization will make more (rather than fewer) LIHTC investments following the Proposed Transaction.” Provide quantitative information detailing how the transaction is expected to result in additional LIHTC investments relative to the banks operating independently, including the LIHTC investments of the banks over the past three years and the anticipated level of LIHTC investments for the three years following the transaction. Provide the information nationally and for California.

3. In the November 18, 2021, AI response, USB stated that “decisions regarding the anticipated community development lending, investment, or service activities of the combined organization are subject to USB’s ongoing discovery efforts, integration assessment activities and continued due diligence of Union Bank’s community development program.” Provide an update on the status of the assessment of Union Bank’s community development program and indicate any community development activities of Union Bank that are expected to be discontinued after the transaction. Discuss any products or services that would be offered to customers of Union Bank that are not currently offered by Union Bank.
4. The November 18, 2021, AI response states that “[f]inal decisions regarding the retention of Union Bank product offerings remain subject to USB's ongoing discovery efforts.” To the extent decisions have been made, indicate any Union Bank products to be discontinued. Indicate the anticipated timing for final decisions to the extent the review is not complete.
5. Describe in more detail the branch closure mitigation strategies discussed in the March 24, 2022, response to comments. Indicate whether those or any other mitigation strategies would be applied to closures occurring as a result of the proposed transaction.
6. Indicate whether the “Digital Discovery Centers” discussed in the January 9, 2022, response to comments would be offered at Union Bank locations. To the extent applicable, discuss how they would be offered to customers of closing branches after the merger. Discuss generally how online, mobile, or ATM services would be offered to customers of closing branches.
7. Discuss whether the merger is expected to result in expanded credit availability to low-and moderate-income (“LMI”) borrowers, LMI communities, majority-minority borrowers, and majority-minority communities relative to each bank operating independently.
8. The March 24, 2022, response to comments states that “USB maintains credit policies specifically designed to allow access to financing for Native American borrowers on tribal lands.” Elaborate on these credit policies.

Please provide your response via **E-Apps** within eight business days of this letter. Any information for which confidential treatment is desired should be so labeled and separately bound in accordance with section 261.17 of the Board’s Rules Regarding Availability of Information, 12 CFR 261.17. Please also send a copy of your response to the regulators listed below, and please provide a copy of the public portion of your response (together with any attachments) directly to the commenters listed below.
